

RE coverage – Primary Hub

In Primary RE lessons, we cover RE topics over a two year cycle. This is through a weekly lesson in each class.

More detail is given in the long term plan but areas covered include:

Christianity – Old Testament stories

Beliefs and questions

New Testament Parables

Worship, sacred places and pilgrimage (Christmas)

Symbols and religious expression (Easter)Easter

Hinduism

Judaism

Islam

Each week we have a Celebration assembly where pupils are recognised through the giving of certificates to award Learning and Behaviour achievements along with Highest points earned in each class.

The school councillors lead this assembly.

We also have a singing assembly where we learn songs and celebrate singing, often in readiness for an event, for example, Harvest, Christmas or Easter. We have a yearly Harvest assembly and celebrate Christmas both at school and in the local Church, St Mary Magdalene in Longfield. Classes visit the church each year as part of their RE topics.

We are also establishing links with the Temple in Gravesend where we have previously visited as part of our learning about Judaism.
