

Year 11 Long Term Plan

Component 1 The Human Body (Biology)			
Week starting	Lesson 1	Lesson 2	Lesson 3
Sep-21	no lesson	no lesson	no lesson
06/09/2021	safety rules and equipment	writing up an experiment	microscopes
13/09/2021	animal and plant cells	microscopes and cells	specialised cells
20/09/2021	organs and tissues	Circulatory system/blood	Digestion/enzymes
27/09/2021	respiration	healthy lifestyle/diet	TDA Burning crisps
04/10/2021	INSET	TDA Burning crisps	TDA Burning crisps
11/10/2021	TDA Burning Crisps	Infectious diseases/vaccines	nervous system
18/10/2021	Hormones/fertility	Revision lesson	External exam
25/10/2021	HALF TERM	HALF TERM	HALF TERM

Component 3 Elements, Mixtures and Compounds (Chemistry)			
Week Starting	Lesson 1	Lesson 2	Lesson 3
01/11/2021	The periodic table	Compounds	Making CuO and MgO
08/11/2021	Three states of matter	Changing state	Diamond and Graphite
15/11/2021	Separating mixtures	Separating mixtures	TDA Chromatography
22/11/2021	TDA Chromatography	TDA Chromatography	TDA Chromatography
29/11/2021	Metals native & extraction	Properties of metals	Metals Practical
06/11/2021	Alloys	Polymers	Biodegradability/Making slime
13/11/2021	Revision Lesson	External exam	Catch up
