

No Pens Day Wednesday

24 November 2021

Tomorrow is No Pens Wednesday

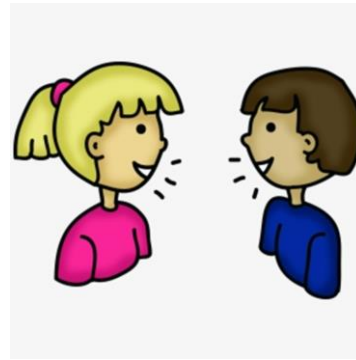

We won't be using pens or pencils all day

We will have lessons as usual – with no writing!

We don't learn just by reading and writing.

We also learn by speaking and listening

Tomorrow we will practice talking to and listening to others.

We will communicate in different ways

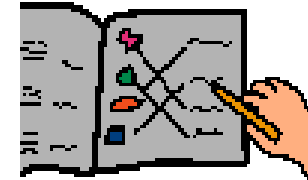

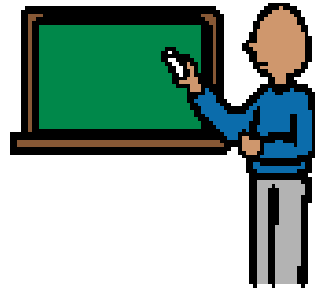

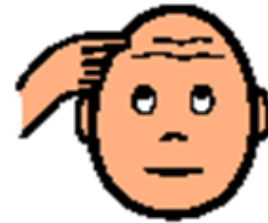

Practicing speaking and listening helps us to learn,

to make friends, and say how we feel

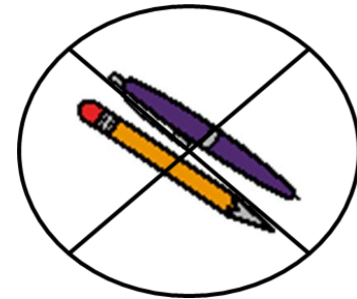

The next day, your teacher will give you a form

You can say what you thought about the day.

Speak to a member of staff if you have any

questions about No Pens Day.

See you tomorrow!
