Parent Workshops

Autistic children & behaviours that challenge

Tuesday 7th February 12-1pm

Delivered by Dr Joshua Nice (Clinical Psychologist)

Children with autism commonly struggle with behaviours that challenge. This can cause harm to the person or others, if it stops them fulfilling some aspects of their lives.

Has your child been diagnosed with autism? Would you like to meet other parents and carers and learn some practical ways to manage your child's behaviours that challenge.

Join on your computer or mobile app

[Click here to join the meeting](#)

If you would like to join please 'ctrl + click' to join the meeting (or alternatively, the link can be accessed via the invitation email or by emailing EWTandESTenquiries@nelft.nhs.uk).

Currently, this workshop is only available to parents/carers of children attending a EWT/EST school. Please speak to your child's school or check our website for our list of schools.

Our workshops are held via **Microsoft Teams**. You can create an account for free. You will need access to the internet. If you have any questions please speak to your child's school or email
