Chocolate Soup?

by Norah Smaridge

- You like chocolate, of course. Most people do. Some people eat it in funny ways. Did you ever eat chocolate soup? Children in Denmark do. They have it for breakfast. For lunch they make chocolate sandwiches with black bread.
- When you come home from school, do you want crackers and milk? Children in France don't. They nibble chocolate and dry bread.
- Would you like some chocolate in your gravy? Mexican children love it. On Sundays their mothers cook pork. They serve rich gravy with it. It is made of chocolate, apples, and spices.
- The first astronauts to go into space from the United States took "space chocolate" with them. It was frozen in plastic bags. It looked like bars of chocolate pudding. The men squirted water into the bags. They squeezed the chocolate to make it soft.
- They took "space brownies" with them too. They ate them in one bite. It kept crumbs from flying about in the spacecraft.
- Would you like a nice glass of medicine? Long ago, doctors gave people chocolate as medicine. "Are you weak?" they asked. "This will make you strong." Now *there's* a medicine that wouldn't be hard to take! Don't you agree?
