Term 3 1 05/01/26	ASDAN – Module 1 – Earning & Spending Money  ASDAN – Module 2 – Keeping track of your money	Complete outstanding work Create a display board – M2A5		
2 12/01/26	ASDAN – Making Financial Choices	M3A1 Research different types of insurance. Create a list of things for which insurance is legal requirement and a separate list of examples for which insurance is optional.		

3 19/01/26	ASDAN – Making Financial Choices	M3A1 Conduct a survey. Present findings as a bar chart.	
4 26/01/26	ASDAN – Making Financial Choices	M3A3 Understand the meaning of the term consumer. Visit the office of fair trading website ( <a href="http://www.offt.gov.uk">www.offt.gov.uk</a> ) and find out how this organisation protects our rights as consumers. Explain why these rights are important to businesses as well as to consumers.	
5 02/02/26	ASDAN – Making Financial Choices	M3A6 Look at a range of holiday websites and choose one trip – this could be a package deal, cruise, a flight only with separate accommodation, a holiday in the UK etc. Calculate the total cost for a family of four (two adults, two teenagers) for one week. You may need to add other costs (e.g. travel insurance, self-catering costs, holiday clothing costs, activity costs).	
6 09/02/26	ASDAN – Making Financial Choices	M3A7 Produce your own comparison table of mobile phone contracts. It should show the brand, model, minute, text and data allowance, special phone features, one-off handset cost (if required), monthly cost and any special offers or gifts associated with it. Identify the best package for your own situation and state why this would be the best deal for you.
