Police safety awareness day – Term 4 2026

5 February 2026

Dear Parents and Carers,

I am pleased to let you know that Rowhill are working in partnership with Kent Police to look at raising awareness of the dangers of knife crime and knife possession to all our pupils at school. Our local Police Officers will be visiting Rowhill School to deliver an awareness day in Term 4 for this educational project. The day will consist of a Police Force managed Knife Arch and possible wandng/searching of pupils if suspected of being in possession of a weapon.

The purpose of this visit is to help pupils understand the dangers of carrying knives or weapons and raising awareness of an associate of someone who is carrying a weapon.

Hopefully, having this session will support pupils to know that they are safe in school and that we operate a zero tolerance to pupils threatening or bringing knives or weapons onto school premises to use for intimidation or violent acts to children or staff.

If you have any questions about The Poilce safety awareness day, please don't hesitate to contact me.

Thank you in advance for your ongoing support.

Kind regards

Cathy Webb

Designated Safeguarding Lead
