Message from the Headteacher

As we reach the end of another busy and successful year at Rowhill School, I find myself reflecting on just how much there is to celebrate. I could write pages about everything that has been achieved this term alone.

We have enjoyed two fabulous Leaving Ceremonies for our primary and secondary pupils, celebrating their achievements and wishing them every success for the future as some leave for pastures new and others graduate into our secondary department.

Across the school, pupils have taken part in multiple residential camps on site, countless trips and visits, and a wide range of enrichment opportunities, from theatre visits and theme parks to science workshops and careers fairs.

We are incredibly proud of our Bronze Duke of Edinburgh Award participants, of Arlo becoming a qualified Dog Mentor, and of our Year 11 pupils who completed their examinations calmly and successfully without any issues. Our Key Stage 2 pupils have also worked exceptionally hard, completing both their national Times Tables Check and SATs assessments with determination and resilience.

This term also saw Rowhill become a completely phone-free zone, a significant step in supporting pupils' wellbeing, engagement and learning across the school.

We were also pleased to receive our first Ofsted monitoring visit, which went very well, alongside a new Local Authority classification that places Rowhill as a Green School. This classification reflects the confidence that, by our next inspection, we will be judged as at least expected in all areas.

Alongside celebrating these successes, we are excited about the future. Next year will bring a new curriculum across the school, a greater focus on developing pupils' social, emotional and mental health skills through our enrichment programme, changes to the school day, pupil involvement in the development of our new school uniform, and some exciting enhancements to pupil support that will evolve throughout the year.

Rowhill continues to grow and develop, and by working together we can all help shape the school into the place we want it to be: a great place to learn and work, where children are safe, well cared for, inspired by exciting and engaging learning experiences, and supported to reach their true potential.

Finally, I would like to thank all of our pupils, staff, governors and families. Your support, commitment and contributions have made this year truly exceptional. I wish everyone a safe, happy and restful summer break, and I look forward to all that we will achieve together in the year ahead.

Warm regards,
Nathalie Fitzgerald

Term 5

Term 5 Top Class Attendance

		1st	2nd	3rd
Term 5				
week 1	Primary	Sharks	Scorpions	Pythons
	Secondary	V1 / V2	T1	T5
week 2	Primary	Sharks	Scorpions	Eagles
	Secondary	T4	T2 / T8	T1
week 3	Primary	Sharks	Scorpions	Pythons

week 4	Primary	Sharks	Scorpions	Pythons
	Secondary	T4	v2	T1
week 5	Primary	Sharks	Pythons	Scorpions
	Secondary	V2	T5	T4

Tree of Self-Esteem

At Rowhill we love every opportunity to celebrate the positive work and achievements of our pupils, from the academic accomplishments to the day-to-day positive behaviours we see.

Term 5

Liam - for supporting Phil in ICT.
Logan - for your continued engagement and enthusiasm in bicycle maintenance.
Theo - hard work in lessons.
T2 Tutor group - huge well done to T2 for achieving 100% positive points on Wednesday. A fantastic achievement!
Fred - for helping another learner to do their maths after break.
George - for working independently and completing your AQA qualification.
T3 Tutor group - To T3 for having a wonderful week. Being in the right place at the right time, doing the right thing.
Hayden - for his hard work bin lesson.
Harry - for supporting another learner when he was upset and angry.
Jayden - outstanding work in Maths.
Under 12's Football Tean - for their performance in the match, but mainly for their exemplary behaviour and conduct. Well done!
Max - for being a star pupil in bicycle maintenance lesson.
Charlie & Hayden - for their continuous hard work I clearly up the dining hall.

Sarah Griffey

Head of Secondary

ACP — Bicycle Maintenance

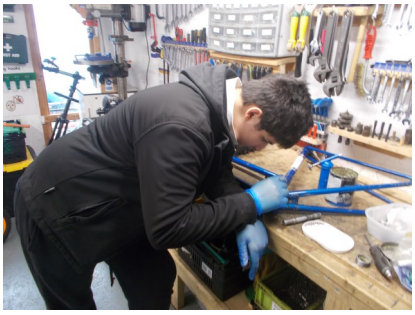

Rowhill year 11 student **Logan Martin** successfully completed the restoration of a vintage bicycle during term 3 and 4 of his bicycle maintenance lessons. Logan has dedicated the past two terms to this project, demonstrating exceptional perseverance and attention to detail throughout.
He carefully dismantled the entire bike, thoroughly cleaned and restored each component, and meticulously reassembled it to a high standard.

The finished bicycle is a true testament to Logan's commitment, skill, and hard work.

It has been a pleasure to support you throughout this project. Well, done, Logan — a fantastic achievement!

Performing Arts

It has been another busy time for the performing arts department, with students performing and also visiting venues taking part in workshops but also seeing some really excellent live shows and performances.

Unicorn theatre

The unicorn theatre is a small venue very near to London Bridge providing 'theatre in education' style shows, entertaining but with themes and learning focus. Students from the primary went to see 'Planet Omar', a story following the adventures of an 8-year-old with a wild imagination, a big heart, and a knack for getting into trouble based on the books by Zanib Mian. Students from Sharks, Pythons enjoyed going up to London on the train, and in the show especially enjoyed joining in with the dance section near the end.

T1 class also visited the Unicorn to watch 'Toto Kerblamo' a meaningful show that explores family relationships, road safety and most importantly, the role that pets, especially dogs, can play to teach us what it means to truly love someone. Students enjoyed the show, and it provoked thoughtful discussions. It was a lovely day, and as we walked past Tower Bridge students found it hard to believe that it was real, not CGI !

Troubadour Theatre, Canary wharf - The Hunger Games

Rowhill was fortunate to get some tickets for this new production via the charity Go Live! Theatre on Wednesday June 10th. The production is a cutting-edge show by an award-winning creative team including Playwright **Conor McPherson** (*Girl from the North Country, The Weir*) and Director **Matthew Dunster** (*2:22 – A Ghost Story, Hangmen, The Pillowman*). 1500 students from secondary schools across London packed the theatre for this special show for schools only. The atmosphere was electric and our students agreed that it was possibly the best show that they had ever seen.

Royal Observatory Greenwich

A group of students from T2, T3 and V1 had the opportunity to take part in 'Space day' a range of workshops organised by the Observatory, including 'Unboxing the universe,' and take part in a Monn and Mars workshop run by scientists and astronomers. Our students attended a science workshop, and George helped to launch a rocket, Rocco helped to sort items from the universe and we all got to experience what nebulas in space smell like ! (mouldy sweets was the consensus)

Showcase

Secondary students took part in our annual showcase performance on Monday May 19th. There was a range of music work on show, including music technology, singing, the band and a lighting show by Ryan a Year 11. Everyone agreed that the standard was very impressive, with our Year 11 really excelling, including Ryan, Jonathan, Lily and Harry I. A special mention to Megan in year 10, who was our lead vocalist and set herself a challenge singing with the band and also an acoustic number with a guitarist. Well done to all of our performers, and as always a special thankyou to the music team, Sam, Jay and Trevor for supporting our students.

Students continue to achieve their Arts awards in performing arts. Bronze Arts award is a level 1 qualification in the arts, and the Silver award is a level 2 award in the arts, both offered and accreditation through the Arts Council and Trinity College London. This Summer, students from ACP and vocation hub and achieved their Silver, so well done to Jonathan, Ryan, Harry I, Harry C and Liam. Level 1 success was achieved by Tristan, Danny, Jalen, Ebony, Rylee, Lilly-Anne, and Joe. These qualifications represent many performances, hours of preparation and skill development as well as creative and imaginative work.

Term 6

SPORTS AT ROWHILL SCHOOL

The Physical Education department celebrated a successful term, with pupils making great progress in a variety of activities. Some pupils explored movement skills in preparation for this term, while others developed their cricket techniques. We are also very proud of our Year 11 students for successfully completing their KS4 Entry Level PE qualification.

This term concluded with a fantastic Sports Day on Friday 3rd July 2026. Pupils demonstrated excellent sportsmanship, respect, determination, and resilience throughout the event, taking part enthusiastically and supporting one another. Sports Day was a wonderful opportunity to celebrate pupils' achievements and showcase the positive values that underpin Physical Education across the school."

Dan Masters

Over the past two terms, our school has been incredibly busy, with many of our learners completing their examinations. This period has required focus, determination, and resilience, and we are immensely proud of all that has been achieved.
We would like to take this opportunity to say a heartfelt well done to everyone involved. Our pupils have shown outstanding commitment and perseverance in their studies, approaching their exams with maturity and dedication. Their hard work has truly been commendable.

We also extend our sincere thanks to our support staff, whose unwavering commitment has played a vital role in guiding and supporting our learners through what can be a challenging time.
Together, this collective effort reflects the strength of our school community, and we look forward to celebrating the successes that will follow.

Sarah Griffey
Head of Secondary

🐾 Meet Our Newest Dog Mentor – Congratulations, Arlo! 💛

We are delighted to announce that **Arlo** has successfully completed his Dog Mentor training and is now officially the newest member of the Rowhill School Dog Mentor Team!
Working alongside Joanne and supported by Louise, Arlo has completed his training through the Dog Mentor Programme and is ready to begin supporting our pupils across the school.
The Dog Mentor Programme plays an important role at Rowhill, helping children and young people develop confidence, emotional regulation, communication and positive relationships. Therapy dogs like Arlo provide comfort, encouragement and motivation, creating meaningful opportunities for learning and wellbeing.
Arlo joins our fantastic team of Dog Mentors, and we are excited to see the positive impact he will have on our school community. We know he will be a wonderful addition to the Rowhill family and can't wait to watch him grow in his new role.
A huge congratulations to Arlo, Joanne and Louise on this fantastic achievement. Welcome to the team, Arlo! 🐾

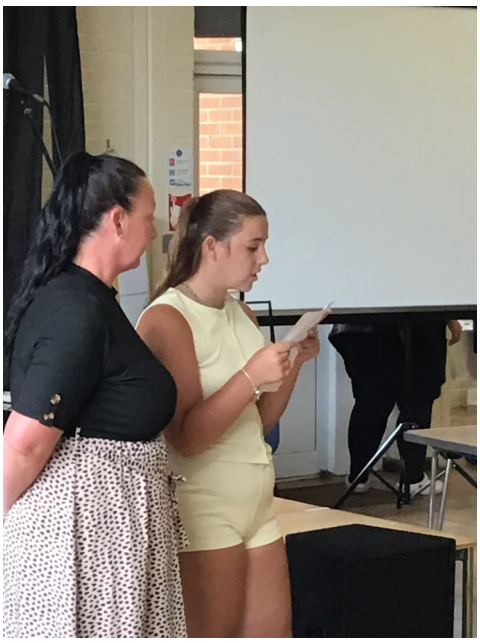

Year 11 Leavers' Ceremony

We recently said a fond farewell to our Year 11 pupils at their leavers' ceremony, marking the end of an important chapter in their school journey.

As they move on to new opportunities and experiences, we would like to wish each and every one of them the very best of luck for the future. They have been a valued part of our school community and will be greatly missed by both staff and fellow students.
Please do keep in touch and let us know how you are getting on – you will always be part of our school community.
Good luck, Year 11!

Thank you!

Year 11 Leavers all received a special biscuit kindly made again this year by Angela Lyamani.

New OT Enrichment Group: Messy Play

Term 6 saw the introduction of a new Occupational Therapy (OT) intervention, Messy Play, for our primary pupils as part of the enrichment programme.
Sessions were facilitated by Michelle Salway, Occupational Therapy Assistant (OTA), the group provides children with the opportunity to engage in a variety of sensory-rich, messy play activities within a safe and structured outdoor environment. The sessions have been running for several weeks and have already been enjoyed by several pupils.
The aim of the group is to develop fine motor skills, encourage social interaction, improve attention and focus, support emotional regulation, and provide opportunities to explore a range of sensory experiences through play.
Michelle commented:
"It has been lovely to see the children's enthusiasm and positive engagement during the sessions. Sensory play appears to provide a calming experience for many of the pupils"
Due to the positive response from pupils, Messy Play will continue as a regular outdoor enrichment activity, particularly during the warmer months.

Fola Sutherland, Occupational Therapist (OT)
Michelle Salway, Occupational Therapy Assistant (OTA)

Residential Trip to Alton Towers

On 16th June, 7 students from Year 9,10 and 11 went away for 3 nights. They stayed in a nice farmhouse that was short drive from Alton Towers where they spent 2 days enjoying the rides.. It was a long drive to get there, with lots of traffic on the way and they all arrived there very tired!

After a good night's sleep, were up early the next morning and excited to get to Alton Towers where they managed to go on all the rides that they wanted to. Their favourite ride was The Smiler; which they went on three times over two days!

On the second night, England were playing in the world cup. They painted their faces with the St George's Cross and cheered when England scored. Mr. Ralph was so tired that he fell asleep before half time! The next day, they went back to Alton Towers and went on their favourite rides again, as well as a few others that they didn't get to go on the first day.

It was pretty hot that day, so they had a water fight back at the farmhouse! Which cooled everyone down.

On the last day, everyone got up early and made their way back to school. Everyone was exhausted, including the staff! Thank you to Mr. Ralph, Amy and Charlotte for taking them.

Lilly, Megan, Lexi, Riley, Kai, Harry and Dillan.

Year 6 Residential Trip

Our Year 6 residential was a fantastic success, packed with adventure, challenge and plenty of smiles. Throughout the trip, pupils embraced a wide range of activities including archery, outdoor cooking, paddle boarding, kayaking and rifle shooting. Some of our more adventurous pupils even chose to camp out under the stars, creating memories they will never forget.

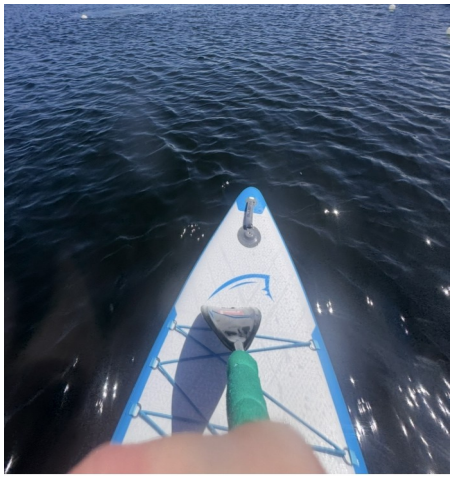

It was wonderful to see every student throw themselves into new experiences, support one another and demonstrate resilience, teamwork and courage throughout the residential. We are incredibly proud of how they represented our school.

A huge thank you goes to all of the staff who gave their time to make the trip such a success, and a very special thank you to Syd for organising such an incredible experience for our Year 6 pupils. It is one they will be talking about for years to come.

JohnBoy Smith Shield

- Congratulations to Charlie Byford for achieving the John Smith Shield for "discipline and determination".

Excellent work, well done!

THE DUKE OF EDINBURGH'S AWARD

Congratulations to Louis Frickey, Harry Coleman, Liam Kemp and Danny Roberts for Completing their Bronze Expedition as part of the Duke of Edinburgh Award.

Well done on your achievement!

The five key water safety messages: Stay Safe In and Around Water

- **Always swim in a safe place:** Stop and think about potential dangers and only swim in designated, supervised areas (like a lifeguarded pool or beach).
- **Always swim with a trusted adult/care provider:** Never go into the water alone so someone can assist or call for help if needed.
- **If you fall in, float, breathe, relax:** Fight the instinct to panic. Tilt your head back, keep your ears submerged, and float to catch your breath while resting.
- **If someone else is in trouble, call 999 or 112:** Do not jump in to save them. Instead, alert emergency services or use a throw line to help from the safety of the land.

Download the What 3 words navigation app: to support emergency services find you or your friends if you or your friends run into difficult in water and you are unsure of your actual location

Dangers of Vaping

Vaping poses significant dangers for young people due to nicotine addiction affecting the developing brain, leading to mood issues (anxiety/depression), poor concentration and increased risk of future substance use. Young people also face lung irritation, coughing, potential exposure to heavy metals and dangerous battery explosions.

This is why there is a minimum age of sale for vaping products in the UK. It is illegal to sell vaping products to anyone under 18 or for adults to buy them on behalf of under 18s.

What to look for…

- Unfamiliar gadgets, tech like devices or charging cables.
- Fruity or sweet scents in a young persons bedroom or belongings.
- Increased thirst, nose bleeds, mood swings or restlessness.

PLEASE NOTE THAT WE DO NOT ALLOW VAPES IN SCHOOL

Self-regulation strategies for kids

By Fola Sutherland
Occupational Therapist & Sensory Integration Practitioner

What is self-regulation? It is essentially the ability to control your emotions, behaviours and responses. It can help to manage difficult situations, deal with challenges and achieve your goals. It involves some level of reflection and understanding of emotions, too.
This is something both children and adults struggle with from time to time. Here are some tips which may support your children in developing this essential life skill.

Recognise emotions – Just like we teach kids how to ride a bike, or drink from a cup. We need to teach them how to manage their emotions. This starts with being able to recognise and label different emotions. Happy, scared, excited, angry etc.

Identify triggers – Try to observe your child in different situations and settings, and start to notice what triggers emotional dysregulation and meltdowns. This is a key first step in understanding their behaviour.

Develop a toolkit – Self-regulation does not mean a child is **always** happy and calm. It simply means that they have a coping toolkit. This toolkit helps get them to a better emotional state and regain control of their behaviour.

Teach calming strategies – yoga, exercise, deep breathing or taking a walk in nature are things which can boost serotonin and help to calm children down.

Provide sensory input – Sensory input such as tactile (touch, hugs, textures), vestibular (swinging, rocking), proprioceptive (deep pressure, massage, weighted items), auditory (calming music, white noise, ear defenders), can all be calming and regulating to our nervous system. It is important to identify with your child which of these they like and dislike in order to better support them.

I hope you find some of these tips helpful. If you wish to discuss anything further, please contact Fola Sutherland, school Occupational Therapist, who is available on Wednesdays.

Staying Safe Online

At Rowhill school we are very keen for our students to safely experience the wonders of technology. As well as using all of the basic software programmes such as; Word, Power point, Excel, Publisher and Database, we cover block coding in Computer science.

We also take online safety very seriously.

In the Primary and Transition Hubs we make wallet cards with details of helplines, and encourage our students to give them to people who may need help.

Parental support to safeguarding your child on line

Please see attached flyers regarding parental advice to keeping your child safe on line

This information is also available on out school website

Please contact CEOP or 101 Police to report any online abuse immediately

School Day Times

Monday —Thursday: 8:50am—2:30pm

Friday: 8:50am—2:00pm

We look forward to welcoming our students back to school on Thursday 3rd September 2026.

Reminders

Contact Details: Please can you inform the school of any changes to your contact details, including mobile phone numbers and emergency contact information. We should not need to contact you often, however when we do, we really need to, and if we aren't aware of changes this can delay the process of sharing information with you.

No Smoking: Please can we remind all parents and carers that Rowhill School is a no smoking site, neither vapes or cigarettes are permitted to be used. We thank all parents and carers for their support in ensuring their child does not bring these into school.

Absence: If your child is absent from school, please can you inform the school on the first day of the absence. Should you wish to discuss any attendance issues, please speak to Cathy Webb (DSL). Cathy can be contacted on 01474 705377 ext 241.

Medical Forms and Medication: If you have recently received a medical form please can you return this to Natalie Russell as soon as possible. We also ask that parents and carers ensure we have a sufficient supply of medication for their child for the term . Thank you.
