

## **Pupil Premium 2016-2017**

In January 2016 the Government announced the Pupil Premium funding for 2016-2017. It awarded Primary pupils that are Free School Meals (FSM) and Ever 6 pupils £1,320, Secondary FSM pupils and Ever 6 pupils £935 and Service and Ever 6 pupils £300. These funds are paid directly to the school and into the school budget. The Government also awarded Looked After Children (LAC) £1,900. These funds are not paid to the school but are paid directly to the Virtual School Head teacher. Rowhill School has made applications to the Virtual School Deputy Head teacher to support LAC at Rowhill School. Rowhill has 10 LAC at present = £19,000.

The 2016-2017 funding is calculated by the number of pupils on roll at Rowhill School in Jan 2016 that will be eligible for Pupil Premium. 20 Primary pupils at £1,320 = £26,400 and 33 Secondary pupils at £935 = £30,855. This gives an overall Pupil Premium figure of £57,255. This funding is ring fenced so the money is always spent on target groups of pupils.

### **Monitoring and Evaluation of Pupil Premium spending**

The Senior Leadership Team have a clear overview of how funding is allocated and a clear policy, agreed by Governors on how the money is spent and the affect it can make to pupil outcomes. We analyse which pupils are under achieving, especially in English and Maths and use data (PP reviews) to check whether interventions are working and make adjustments accordingly. We attach best teachers/teaching assistants to teach interventions and make sure TA/support staff are highly trained and understand their role in helping pupils achieve. All staff to give pupils clear and useful feedback about their work and highlight ways they can improve it. Support is targeted to improve attendance and behaviour and/or links with families and outside agencies where there are barriers to attendance or learning. Rowhill School monitors and evaluates the impact of each aspect of spending on outcomes for pupils by regular review of Pupil Progress data, attendance data and observing and measuring the impact of interventions.
