What kind of moving picture could you make?

Click on each of these boxes for more ideas...

A picture based on a
familiar story

A picture based on a
topic you have been
doing at school

A picture based on your
favourite sport

A picture based on your
favourite animal

A picture based on a familiar story

Rapunzel

You could make a moving picture showing the prince climbing up Rapunzel's long hair.

Little Red Riding Hood

You could make a moving picture showing Red Riding Hood walking through the forest or the wolf moving his mouth to gobble Red Riding Hood up.

Jack and the Beanstalk

You could make a moving picture showing Jack climbing up and down the beanstalk.

What other familiar stories could you use?

A picture based on a topic you have been doing at school

What have you been learning about at school?

How could you use your topics to make a moving picture?

A picture based on your favourite sport

Football

You could make moving picture showing someone running towards a football.

Tennis

You could make moving picture showing a tennis ball going back and forth over a net.

Basketball

You could make moving picture showing someone jumping up to slam-dunk the ball into the net.

What other sports could you use?

A picture based on your favourite animal

You could make a picture showing the snapping jaws of a shark, crocodile or wolf.

You could make a picture showing the flapping wings of a butterfly, bee or bird.

You could make a picture showing a lion, tiger or bear running to catch its prey.

You could make the head, arms, legs or tail of your favourite animal move.

What other moving animal pictures could you make?

What kind of moving picture do you think you would like to make?

What kind of moving mechanism will your picture have?

Think, pair, share your ideas.
