## My Moving Picture Evaluation

I worked hard to make my moving picture.

I am pleased with my moving picture.

I enjoyed making my moving picture.

My picture has a part that moves.

The part of my picture that moves works well.

I followed my design well to make my moving picture.

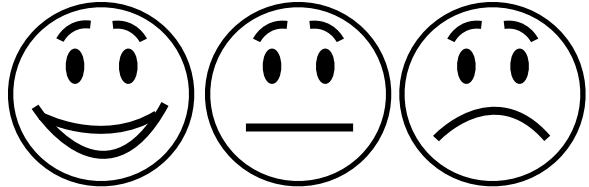

There are lots of things I would change about my moving picture to make it better.

I have learnt a lot about how mechanisms can make parts of a picture move.
