

Year 7 Catch up Funding

Rowhill School is a Behaviour & Learning Needs school along with Emotional & Social Development Needs for pupils 5-16 years.

Approximately two thirds of pupils are of secondary school age; All pupils have a statement of special educational needs that is primarily for their behavioural, social and emotional difficulties. However, a significant number of pupils also have additional needs associated with, for instance, their autism or speech and language difficulties.

Many pupils receive support from other agencies, such as social services, the youth offending service, and child and adolescent mental health services. More than a tenth of pupils are children who are looked after by the local authority.

Key Stages 3 and 4 pupils receive part of their education in other settings, such as Hadlow College, Challenger Troop and the Archway Project. The school is the base for one of the local authority's specialist teaching and learning services, which is a partnership between educational services and other agencies that work with children with special educational needs, their families and schools

Year 7 Catch up is an allocation of £500 per year 7 pupil who did not make the expected standard in reading and/or mathematics at the end of Key Stage 2.

This premium is available to state funded school, special schools and alternative provision settings.

This funding is to enable those pupils to hopefully catch up quickly and avoid falling further behind.

All year 7 pupils currently at or joining Rowhill school are eligible for year 7 Catch up funding.

Term 1- 3

1. Read write inc. is a reading scheme within the secondary department to improve reading skills and promote reading for pleasure. This programme focuses on phonics and is a progressive, fun and fast-paced programme. The teaching ensures children learn seamlessly as vocabulary, method, and behaviour management are taught

consistently. The resources engage children using colourful and vocabulary-rich books. Support is continuous, and Pupils teach each other. This programme is run 2 times a week for 20 mins each session and supports the new OFSTED framework.

2. Small group intervention to support literacy and numeracy. This programme is timetabled twice a week for 45 minutes and focuses mostly on each pupils' individual needs.

Term 4 – 6

As well as all the above pupils will be reassessed and individual small groups will be formed and taught literacy/numeracy by 2 teachers specifically trained in this intervention area.

Accelerated reader will be introduced across whole school to promote the joy of reading.
