Dear Parents and Carers

Firstly, thank you for your ongoing support in challenging circumstances.

As we prepare for a full opening in September, I have attached a copy of the school's re-opening strategy and rationale. The main aim is for pupils to attend school and experience a balanced curriculum, whilst at the same time keeping everyone safe. To do this successfully, if any pupils display any Covid 19 symptoms, in line with government advice, book a test as soon as possible and **stay at home and await the results**. If possible inform the school, if negative return to school.

Once again I would like to thank you for supporting the school and our aim to continue our pupils' education whilst keeping everyone safe.

Yours sincerely

Geoff Bartrum  
Head Teacher
