Dear Parent/Guardian

CONSENT FORM FOR TRIPS AND OTHER ACTIVITIES OFF SITE

As the start of a new academic year, it is expected that all schools will go back to full opening which will include more offsite activities being run especially in departments such as PE.

To help support this process could I please ask you kindly to read through the following and agree to the terms and conditions below.

Please sign and date the slip below if you are happy for your child to:

- Take part in school trips and other activities that take place off school premises.
- Be given first aid or urgent medical treatment during any school trip or activity.

Please note the following important information before signing this form:

The trips and activities covered by this consent include:

- All visits (excluding residential trips) that take place during the school day
- Adventure activities.
- Off-site sporting fixtures outside the school day.

The school will send you information about each trip or activity before it takes place.

You can, if you wish, tell the school you do not want your child to take part in any particular school trip or activity.

Completing this form means that written parental consent will not be requested from you for the majority of the off-site activities offered by the school (e.g. year-group visits to local amenities) as such activities are part of the school's curriculum and usually take place during the normal school day.

Please complete the medical information section below (if applicable) and sign and date this form if you agree to the above.

Kind regards

Ben Inman
