

Scorpions Class Medium Term 1 Plan 2021-2022

Year A

Subject	Term 1 We Rock!	
Art	Cave Paintings	Wk1 – What are cave paintings? and what do they look like? Include? Primary colours. Wk2 – Closer look at a cave painting. What? Who? Why? Why are they important to us today? Mixing primary colours. Wk3 – Cave Artists toolbox. Wk4 – Creating cave art using natural resources. Wk5 – Other art types? Natural colours and dyes. Wk6 – Making a picture with natural colours and dyes that worked well.
Prior learning: Identify materials and simple tools for Art. Select materials and tools required for an artwork. Explain the choices I make with materials and tools. Experiment with a wide range of materials with increased control.	Targets/Milestones from PA:	Lv1: I can recognise and name the primary colours. I can draw lines to represent objects and ideas observed or imagined Lv2: I can select an appropriate tool for a given task I can use a range of materials to add line, texture and colour. I can mix primary colours to make secondary colours Lv3: I can make sensible choices about the size of tool for the given task (e.g. brush size). I can use a range of materials to add line, texture and colour. I can experiment by making shades of the same colour. I can begin to draw familiar things from different view points.

<p>Make artwork in response to a given starting point.</p> <p>Future Learning: I can develop a simple 3D forms from my 2D designs. I know that shades of warm and cool colours can add mood. I can make sensible choices about the size and type of tool to create a desired effect (e.g. brush size, grade of pencil).</p>
